Skills & Experience Summary

Kat qualified with a BSc (Hons) in Physiotherapy in 2004 from the Manchester School of Physiotherapy. Kat has gained experience in all areas of acute and community physiotherapy over the past 18 years. She developed her interest in neurological rehabilitation whilst working at several London Teaching Hospitals providing neuro rehab within critical care, inpatient neurology and outpatient neurology. During her time within the NHS Kat was appointed as Team Lead for Medicine and Oncology services, which involved supervising a large team of physiotherapists and therapy assistants, alongside close working with Service Leads, bed management and discharge services.

Further pursuing her interest in neurorehabilitation, Kat moved into the independent sector in 2013, providing community neurorehabilitation to adults following TBI/ABI, cerebral palsy, spinal cord injury and stroke predominantly. During this time, she was frequently appointed by Case Managers to provide rehabilitation services for their clients, gaining experience within this sector and working closely with case managers and other professionals to optimise a clients' potential.

Whilst working within the independent sector Kat also became highly experienced in the provision of adjuncts within neurological rehabilitation, such as Saebo orthoses, Functional Electrical Stimulation and has a good market knowledge of current products beneficial within physical neurorehabilitation.

Kat joined Ben Holden Ltd as an associate case manager in 2022 to continue working to support adults following catastrophic injury.

Ipswich Hospital NHS Trust

Personal Summary

Kat enjoys spending time with her husband, 2 young children and friends and family. She finds great benefit and enjoyment in meditation and vinyasa yoga. In her spare time she enjoys spending time outdoors - walking the dog (particularly the Yorkshire Dales and Lake District!), growing vegetables in the garden, cooking and listening to live music.
